SPECIAL CRUISE I.P.A

M/N COSTA CLASSICA

TRIESTE, Ancona, Santorini, Mykonos, Athens, Corfù, Dubrovnik, TRIESTE

From JULY 13 to 20, 2008

With its friendly and sparkling personality, the Costa Classica cruise ship is one of the best loved ships in the Costa fleet. Recently refurbished, the Costa Classica cruise ship is now even more beautiful, modern and comfortable. In the Tivoli Restaurant, exquisite murals transform windows into scenes from the Renaissance and Roman Times. The tabletops in the Puccini Ballroom depict scenes from famed Puccini operas.

Situated high atop this Costa fleet ship, Galileo Disco and Observatory offers 360 degree views -- an observatory by day, a state-of-the-art disco by night.
